SECTION 02

SYSTEM DEVELOPMENT TECHNOLOGY

LECTURER: DR. AHMAD NAJMI BIN AMERHAIDER NUAR

NO	NAME	MATRIC NO
1	YASMIN BATRISYIA BINTI ZAHIRUDIDN	A23CS0201

1. Register Student

Figure 1.1 shows that in the database, there are no students data is recorded yet.

The screenshot displays the 'Student Information Registration System' interface. At the top, a yellow header bar contains the title. Below it, a green status bar indicates 'Connected successfully'. The main section is titled 'List of Registered Students' and features a table with columns: ID, Name, Email, Program of study, Year, Update, and Delete. The table is currently empty, showing 'No Data Found'. A purple link 'Register New Student' is located at the bottom left of the table area.

ID	Name	Email	Program of study	Year	Update	Delete
No Data Found						

[Register New Student](#)

Figure 1.1

After clicking the Register New Student link, it will bring to the Register page. In Figure 1.2 shows that after fulfilling all the information, it will appear a message said that, "New record created successfully"

The screenshot shows the 'Student Information Registration System' interface after a successful registration. A green status bar at the top indicates 'Connected successfully'. Below it, a green message box states 'New record created successfully!'. The 'Register New Students' section contains a form with the following fields: 'Name' (text input), 'Email' (text input), 'Programme of Study' (dropdown menu with 'Data engineering' selected), and 'Year of study' (dropdown menu with 'Year 1' selected). An 'Add Student' button is positioned below the form. At the bottom, a purple link 'Back to Student List' is visible.
